 Sep. 26, 2011

Students entering Northwest Florida State College (NWFSC) will now have a smoother transition and easier access to four-year bachelor degree programs through NWF2UWF, a new partnership with the University of West Florida (UWF) in Pensacola that was announced today by UWF President Judith Bense and NWFSC President Ty Handy.

An agreement that governs the innovative program was signed at a brief ceremony held today as part of a meeting of the UWF Board of Trustees at the UWF Emerald Coast campus in Fort Walton Beach, a joint campus with NWFSC.
